

# Disciplemaking - Investing in Spiritual Reproducers

## Part 2 - Disciplemaking

### III. Matthew 28:17

A. You must respond to Christ's commands in Matthew 28 with some initiative.

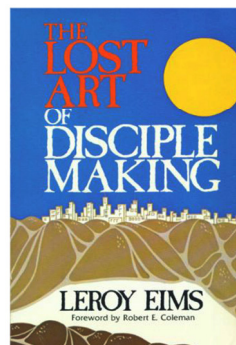

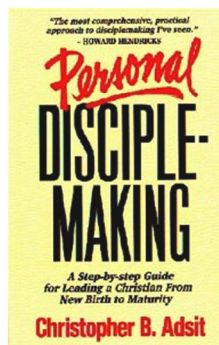

1. Pray for people.
2. Look for people to witness to.
3. Look for people that are interested.
4. Your #1 Priority in Life is to walk with God. As you are going to school, to work, into all the world you try to have a ministry; you try to witness - to make disciples. Starting where you are, then to all people groups.

B. Learn to ask questions - questions that help others respond by asking you questions that have you answer and tell them the Good News you wanted to share in the first place.

1. Begin the conversation with general non-offensive questions.
2. Then move from general questions to "general religious questions."
3. Then on to specific religious questions.

C. Study a couple of good books on disciplemaking.

1. Personal Disciplemaking by Chris Adsit.
2. The Lost Art of Disciplemaking by LeRoy Eims.

D. Ezra 7:10 - learn, do, teach. With the right heart, study the truths of God found in the scriptures; apply them to your life; teach them to others.

E. Memorize key verses - as you begin praying over the verses you are memorizing you will be amazed at how God uses the verses in your life and in the life of other people you meet with.
